Fresh Food Box Delivery Program

This page is for the customer.

Welcome to Missoula Food Bank & Community Center Fresh Food Box program. This program offers once a month delivery of fresh food to residents of Missoula County who have contributing factors, which prevent them from accessing the store at Missoula Food Bank & Community Center.

We are excited to bring a variety of fruits, vegetables, dairy, and protein items to your home on the last Thursday of each month in either a small or large food box delivery. Fresh Food Box is a pay-for program where customers may use SNAP, credit or debit card, or arrange monthly drafts from checking accounts for purchases. Please find details of cost on the next page.

All new customers will receive one free small box for their first delivery and may continue with services by purchasing future deliveries. Customers will need to complete payment option paperwork received with first free delivery to continue with services.

CUSTOMERS MUST BE HOME TO RECEIVE DELIVERY.

Deliveries occur between 9am and noon

The Last Thursday of each month

Evening delivery available upon request

If there are any questions, or comments please call Missoula Food Bank & Community Center. **(406) 541-0770.**

Sincerely,

Faith Cornett
